MEMORANDUM FOR DENNIS WESOLOWSKI, LOIS HUDDLESTON,
LORI DAVIDSON, JASON BOYNTON,
RUSSELL BYWATERS AND STEVE SURFACE

SUBJECT: Appointment of ESOH Management System
Implementation Team

We are currently actively developing an Environmental, Safety and Occupational Health Management System required in Executive Order 13148 and USD (AT&L) letter dated April 5, 2002. The next phase is implementation.

During the implementation phase, a cross functional team is necessary to define environmental aspects and measure the potential impacts, define achievable targets and objectives, define safety and occupational health risks and measure the significance, and to act as a point of contact for scheduling training and related events.

The implementation team is identified in this appointment memorandum. My management representative for our ESOH Management System is Steve Surface, (703) 767-6520 or e-mail stephen.surface@hq.dla.mil. Steve will coordinate your activities.

CORNEL A. HOLDER
Deputy Administrator
